

Southwest Missouri Area Health Education Center

Dear counselor, faculty or staff:

Hello, the Southwest Missouri Area Health Education Center would like to invite your high school students who are interested in the dental field or the health field to attend our first annual "Dentist for a Day" workshop. We have partnered with the Jordan Valley Community Dental Clinic to provide a day of hands on activities and learning for students.

The workshop will be held in Springfield at the Jordan Valley Community Health Center, located on 618 N. Benton. It will be held on Saturday, November 1st from 10:00 to 2:00. Lunch will be provided and snacks served.

Enclosed is a flyer, with date and times as well as consent forms. The address is located at the top of the forms for students to mail their registration and payment to secure their slot or they may fax the form to: (417) 836-8770. We look forward to working with your students.

If you have any questions, you may call me at (417) 836-5211 or you may email me at bobbibellamy@missouristate.edu.

Sincerely,

Bobbi Bellamy
