Preparations for Kids

Kudos to our custodial staff and maintenance department! They have again worked very hard this summer to clean, upgrade and repair our building to ensure that it is ready for the education of our students. We appreciate their hard work to make sure things are done and done right.

The hallways and classrooms are looking more colorful as the teachers complete their early preparation for students. They strive to create a pleasing atmosphere for kids that will promote a positive learning environment!

Character Ed Word of the Month:

Accountable

"To consider the consequences of your actions, and to recognize that you are held liable for your choices."

Calendar:

August 16– Open House

August 17- Faculty Meeting

August 18– FIRST DAY OF SCHOOL

Professional Learning Community

Our PLC leadership team has sacrificed some of their summer vacation time to learn about our journey to become a Professional Learning Community as well as make plans for the upcoming year. I appreciate their commitment to this process and their dedication to making it happen!

We are in the very beginning stages of becoming a more collaborative community. We will begin with a focus of creating "norms" for our meetings, discussing the need for change, learning exactly what a PLC is and looks like, and creating a mission statement for our building.

"We are a box of crayons,
Each one of us unique.
But when we get together...
The picture is complete."

Shane DeRolf
