Setting New Records for Summer Reading

Second and third grade students were challenged by Mrs. Oliver last spring to read, read, read over the summer. Forty of our students kept track of the books they read this summer and returned it to school!

These students got to enjoy a story, read by Mrs. Katzin, in the outdoor classroom. They also received a book mark and certificate from Mrs. Oliver to acknowledge their accomplishment!

Routines

Students are settling into their classroom routines and learning the expectations of the teachers and staff. It has been a smooth start to the year. We are excited about all the learning that is going on!

Character Ed Word of the
Month:

Respect

Calendar

- September 12—PTA General Meeting, Upper Elementary
- September 15—Doughnuts with Dad, Watch D.O.G. Kick-Off Event
- September 21—Fall Pictures
- September 29—Mega-Party, PTA Magazine Sales Celebration

Professional Learning Community

Emma Alexander spent the afternoon with us during our 2nd PLC time training our faculty and staff on the components and educational opportunities that await our student in the newly renovated outdoor classroom.

The outdoor classroom has 2 ponds that are self-sustaining ecosystems complete with fish, plants, and even a turtle. There are several planting areas for students to grow things as well as a fossil digging area. It also features an area encircled with stumps for students to gather as a class for lessons or presentations.
