

Transfer Equivalency Information: Missouri State University

Steps to determine if Missouri State Universities Dual Credit Coursework @ LRHS will transfer to the college/university of your choice:

- #1. Go to college/university of choice their **on-line website**.
- #2. In search box, type in **“Transfer Student”**.
- #3. When you get to Transfer Student page, look for and/or type in – **“Transfer Equivalency Information”**.
- #4. **Click on college/university you took dual credit courses** with (for LRHS students it would be Missouri State University).
- #5. Look for Missouri State Universities **Course Code and Course Number** (ex. ENG 110). It will identify how that course will transfer over to the College/University of your choice.
- #6. For out of state colleges if they do not have this information on their website you may need to contact the admissions or registrar’s office to determine how your dual credit course at Missouri State University would transfer to the College/University of your choice.
