### MIDDLE SCHOOL NEWS OCTOBER 2008

Where has this year gone?! It's hard to believe that this time next month everyone will be looking forward to Thanksgiving Break. The end of the first quarter is upon us and things appear to be going well. The students have just finished taking the Stanford 10 Test in the 6<sup>th</sup> and 7<sup>th</sup> grades as the 8<sup>th</sup> grade has just finished taking the "Explore" Test.

Speaking of assessment testing, congratulations are in order to our Science Department and last year's 8<sup>th</sup> grade class. We found out last week that we scored #1 in the conference in the subject of science on last year's MAP Test!! We want to take this opportunity to thank students, teachers and parents for all of their hard work and dedication directed toward the MAP Testing process.

As our athletic seasons wind down, several of our teams have posted outstanding records to this point:

7<sup>th</sup> grade girls volleyball - won 3 lost 4 - 3<sup>rd</sup> place in the Marshfield Tournament.  
8<sup>th</sup> grade girls volleyball - won 6 lost 1.  
7<sup>th</sup> grade boys football - won 0 lost 4  
8<sup>th</sup> grade boys football - won 3 lost 1
