

Family Educational Rights and Privacy Act (FERPA) Notice for Directory Information

The Family Education Rights and Privacy Act (FERPA) require each local education agency (LEA) to provide parents and eligible students' effective notice of their rights under FERPA pertaining to directory information on an annual basis. This notice serves to provide the required annual notification to parents and eligible students regarding their rights under FERPA pertaining to directory information.

FERPA requires that the Logan-Rogersville R-VIII School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the Logan-Rogersville R-VIII School District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Logan-Rogersville R-VIII School District to include this type of information from your child's education records in certain school publication. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want the Logan-Rogersville R-VIII School District to disclose directory information from your child's education records without your prior written consent, you must notify the School principal in writing within ten (10) school days after the release date of this notice.
