

## **ENRICHMENT CLASS DESCRIPTIONS\***

*(Some classes are restricted to certain grade levels based on teacher certification requirements or interest level of material covered.)*

**All About Pets** - All you ever wanted to know about pets and more! A variety of pet experiences lie ahead. Learn from others and share your knowledge of pet care. Pet movies to watch and pets to draw! If your "best friend" has a ride, he/she may visit class and meet your classmates. (Grades 3, 4, 5 only.)

**Build and Destroy Toothpick Bridges** - Create a company. Design & build a bridge then test its strength against rival companies. (Grades 4-7 only.)

**Civil War Fun** - The Civil War comes to life as you find what really caused the states to fight against each other! Learn about their weapons, uniforms, the flags they fought under and what daily life was really like for a Civil War soldier. (Grades 4-7 only.)

**Classic Movies/Cartoons/TV Shows** - It's a blast from the past! Ever heard of Leave It To Beaver? Doris Day? Felix the Cat? Come take a trip down memory lane! (All grades.)

**Fitness Fun** – Improve your fitness while you participate in a variety of activities and games, from noodle hockey, to beach ball volleyball and bowling. (Grades 3 – 5 only.)

**Hometown Rogersville** - Investigate the Rogersville area and uncover its secrets-past, present, future! Find out what makes Rogersville the distinctive community it is! (Grades 5 & 6-7.)

**Laura Ingalls Wilder** – Step back in time--explore pioneer life with America's favorite pioneer girl, Laura Ingalls Wilder. (Grades 3 & 4 only.)

**Let the Games Begin!** – Join in on a summer of fun learning about a variety of lifetime sports. We will explore volleyball, basketball, flag football, soccer, tennis and much more! (All grades.)

**Melody Madness** - Imagine the fun of being a composer! We'll write our own songs and use special music-writing software to print them out. Experience the excitement of playing songs, scales and chords on the piano. You'll amaze your friends, family and yourself! (Grades 3, 4, 5 only)

**Musical Adventures** - Expand your world! Discover your instrumental and vocal talents and learn some interesting facts of music for instance the reason music sounds like it does, trivia, and familiarize yourself with well-known composers. (All grades.)

**Puzzle-Lympics** – Celebrate the 2008 Olympic Games! Have a “world of fun” as we solve and create different types of puzzles...from jigsaw to what's missing, to hieroglyphic and different types of crosswords, plus much more!!! Make puzzles to take home and share. Along the way, learn the history of the modern-day Olympic Games and their French origins. Who knows, you might even learn some French! (All grades.)

**Reading Rainbow** - Find the pot of gold at the end of your reading rainbow. Have fun & improve your skills with a variety of fun reading activities. (By teacher referral – Grades 3-5.)

**Scrap booking: 101**: Create your own scrap booking projects while learning basic techniques. You'll have unique scrapbooks to show off your individuality to your family and friends! (All grades.)

**Sew Much Fun** - Learn the basics of sewing while completing fast and easy projects! (Grades 4-7 only.)

**S.T.A.M.P** – (Stamp Terrific and Meaningful Projects) – Make cards, letters and gifts to encourage your friends and family while you learn different rubber-stamping techniques. You'll be able to make individualized birthday cards and invitations and create projects to share with others. (All grades.)

**Tune Up Your Math Skills!** – Math difficulties? Get a fun boost with hands-on games, challenges, computers and other activities to encourage mastery of math facts, concepts and skills! (Teacher Referrals placed first – all grades.)

**Twain Team** – Get a head start on next year's Mark Twain Award Nominees. Long before the rest of the students find out what books have made the award list, you'll get a chance to read some of the best books for kids your age. We'll read a book together, do some independent reading, and complete FUN projects in the library. (Grades 3 & 4 only.)

**Wings Over America -The History of Flight** – Join a Junior Flight Wing and build a model airplane. Get ready to test your paper airplane building skills & compete in a flight contest. View exciting films of early test flights. (Grades 4-7 only.)

**What Do You Collect?** – Explore the history, how-to and joys of collecting coins, ball cards, stamps and everything under the sun! (Grades 4-7 only.)
