Shuttle buses will be available to transport students from the Upper Elementary and High School Campuses to the Primary Campus. If parents choose to drop off and pick up students at the Primary School, unless childcare arrangements have been made in advance with the Summer Adventure Program, students may not be dropped off earlier than 7:50 a.m. and must be picked up promptly at 12:20 noon each day.

IMPORTANT: To help us insure your child's safety, please circle whether you will be using a shuttle from the Upper Elementary or High School or will be dropping off and picking up at the Primary.

Please indicate any medical condition of which we should be aware. This is vitally important since summer school staff is not necessarily the same staff as that working with your child during the school year:

In the week before this session begins you will receive a letter in the mail notifying you who your child's teacher will be. A nametag for your child to wear will also be included.
